Er . Become the envy of your friends and neighbours, relieve your mid-life crisis. Travel to the fly blown sun kissed waterways of East Anglia, give that miserable life one last desperate chance.
 Whilst every endeavour will be made to appear at appropriate venues, the 'musicians' individually and corporately reserve the right to get pissed as a newt and sleep through the sessions.
 Raffles will be held at these venues. Our solemn pledge: Not one penny collected will go to any form of charity. No responsibility is accepted for damage to ear drums, recording equipment or reputations.
 DONATIONS: Barry Tyler 07773301772 (possibly East Anglia's finest percussionist)
 COMPLAINTS: The well endowed (and it turns out quite fertile) Bob Alcoe 07977582677
